BENEFITS OVERVIEW

Post-65 Retirees

Connections that Move You; Benefits that Protect You

WELCOME TO YOUR BENEFITS!

ABOUT THE BENEFITS OVERVIEW

The *Benefits Overview* describes the benefit plans available to you as a Retiree of the Authority. Keep the *Benefits Overview* handy for a quick reference for all your benefit needs.

The details of these plans are contained in the official Plan Documents, including some insurance contracts. The *Benefits Overview* is meant only to cover the major points of each plan.

If there is ever a question about one of these plans, or if there is a conflict between the information in the *Benefits Overview* and the formal language of the Plan Documents or insurance contracts, the formal wording in the Plan Documents and insurance contracts will govern.

Please note that the benefits described in the *Benefits Overview* may be changed at any time and do not represent a contractual obligation on the part of the Authority.

ELIGIBILITY OF RETIREE

Retirees who are covered under the Authority's core health plans for active employees on the day prior to their retirement are eligible to continue their core benefits plans upon retirement. Core benefits include health (medical and prescription drugs), dental, vision and life insurance.

ELIGIBILITY OF RETIREE'S DEPENDENTS

The eligible dependent of a retiree who had been hired **prior to March 1, 2005**, and was covered as an eligible dependent while the retiree was an active employee, are eligible for coverage under the retiree's health (medical and prescription drugs), dental and vision plans. Eligible dependents include the retiree's legal spouse and dependent children up to age 26 who were covered by the employee on the day prior to their retirement. No new dependent may be added to the retiree plans following retirement.

Dependents of a retiree who had been hired **on or after March 1, 2005** are not eligible under the Authority's retiree plans.

***Note:** If you divorce a covered spouse after the date you retire, then you must notify the DRBA Benefits Office as soon as possible, but no later than 30-days from the divorce date, so your spouse can be removed from the retiree plans promptly. Ex-spouses are NOT eligible for dependent benefits under the program. If you fail to notify DRBA within 30-days of the divorce date, then the change (termination of coverage) will be made retroactive to the divorce date, and you may be responsible to reimburse the Authority or the plan provider for any claims that were paid on behalf of your ex-spouse after the date of the divorce.

POST-65 RETIREE HEALTH PLAN

Retirees and/or their covered spouses will be moved to a Medicare Advantage Plan upon reaching age 65, effective upon retirement or upon their 65th birthday, whichever is later. To qualify for the AMA plan, individuals must enroll in Medicare (Parts A and B) and pay the Part B premiums that may apply. Typically, Part B premiums are deducted from the individual's Social Security Retirement annuity, or they can be paid directly to the Centers for Medicaid and Medicare Services (CMS). The DRBA is not responsible for Part B premiums.

The Medicare Advantage plan is fully insured through the Aetna Insurance Company. The Aetna Medicare Advantage (AMA) plan includes Medicare coverages under Part A (Hospital), Part B (Visits and Testing) and Prescription Drugs.

Note: A covered spouse is moved to the AMA plan as an individual subscriber, however, the covered spouse will remain covered as a dependent under the retiree's dental and vision plans, if applicable.

Aetna will mail the Annual Notice of Change (ANOC) documents detailing the CMS updates, directly to your home. If you have not received this information by the first week in December of each year, please call Aetna Medicare Advantage at **1-800-307-4830** to request a copy and ask questions.

Telemedicine: The Aetna plan includes access to doctors through the Teladoc network also. These providers are available 24/7, 7-days per week, even while you are on vacation.

RETIREE DENTAL BENEFITS

Retiree dental coverage is provided under a self-funded plan by the Authority and is administered by Delta Dental. The plan allows you the flexibility to choose your own dentist. The Authority's coverage through Delta Dental's PPO-Plus Premier plan offers three (3) levels of providers:

- **Out-of-Network Providers:** These providers do not participate with Delta. You will receive the same level of coverage (i.e., 100% reimbursement for Preventive Services, 80% for Basic Services, etc.) but their services are not discounted; *these dentists may bill you for the balance.*
- **Premier Providers:** These providers have agreed to a nominal discount to their services, and they have agreed not to bill participants for the balance. It is better to go to a Premier Provider than an Out-of-Network provider to get **more** out of your dental benefits.
- **Preferred Provider Organization (PPO) Providers:** These providers have agreed to a steeper discount to acquire more patients, and they will also not bill patients for the balance. It is best to go to a PPO Provider to get the **most** out of your dental benefits.

Annual Maximum is reset every January 1st.

Benefits ¹	Delta Dental PPO Dentists ²	Non-PPO Dentists ² (Delta Dental Premier® & Non-Delta Dental Dentists)
Deductible	N/A	N/A
Annual Maximum	\$1,500	\$1,500
Preventative	100%	100%
Basic	80%	80%
Major	50%	50%
Orthodontia - Max. Age 19	50%	50%
Orthodontia Max. Lifetime	\$3,000	\$3,000

¹ Limitations or waiting periods may apply for some benefits; some services may be excluded from your plan. Reimbursement is based on Delta Dental maximum contract allowances and not necessarily each dentist's submitted fees.

² Reimbursement is based on PPO contracted fees for PPO dentists, Premier contracted fees for Premier dentists, and Premier contracted fees for non-Delta Dental dentists.

THE CHOICE IS YOURS

NEWBORNS ACT DISCLOSURE - FEDERAL

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay relating to childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not more than 48 hours (or 96 hours).

MICHELLE'S LAW DISCLOSURE

Under the ACA, dependent children are covered by the group health plan until age 26. To obtain more information, contact person listed at the end of this summary.

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.
