DELTA DENTAL®

Protect your teeth and your wallet

Get preventive care without hitting your maximum

Thinking of skipping a cleaning? Think again. With Delta Dental's D&P Maximum Waiver®, you can get your diagnostic and preventive care without affecting your maximum. You'll keep your mouth healthy and save benefit dollars for when you really need them.

What services are included?

Diagnostic and preventive dental services may include routine exams, cleanings, X-rays and related treatments as defined by your dental plan.

How does it help me save?

The cost of exams, cleanings and X-rays can add up. Without the waiver, these procedures would eat into your maximum. With the D&P Maximum Waiver, you'll have more of your maximum left over. That can help you cover expensive treatment down the road.

Example of annual of diagnostic and preventive care costs

	Maximum	Delta Dental pays	You pay	Remaining maximum
Without D&P Maximum Waiver	$1,500	$375	$0	**$1,125**
With D&P Maximum Waiver	$1,500	$375	$0	**$1,500**

For illustrative purposes only. Example assumes PPO plan, PPO contracted dentist, no deductible, 100% D&P coverage.

For more details about your coverage, check your plan booklet.
